

Good afternoon,

As I mentioned last evening I have a call scheduled for 10:30am on Monday with the senior leaders of Catholic Charities New Hampshire, due to a call with DHHS at 10am the 10:30am call has been pushed back to 11:30am. Please do not anticipate an update until Monday afternoon. In the meantime we are asking the following: please refrain from bringing any items to the building, homemade/prepared food will not be accepted until further notice. The packaging of prepackaged food can be wiped down and will be accepted at this time, please be patient when waiting for a staff member to answer the main entrance. At this time we are unable to accept clean clothing from family members, if families wash a resident's clothing and return to the building the clothing will be rewashed by the laundry department until further notice. Unfortunately, we are unable to sanitize flowers and have turned down bouquets. We are keeping current with news from the CDC and DHHS and will relax/adjust precautions as we can.

Please continue to stay informed with the frequent updates about this evolving outbreak at our DHHS webpage: <https://www.dhhs.nh.gov/dphs/cdcs/2019-ncov.htm>. You may get current situation updates and technical guidance on the CDC's website: <https://www.cdc.gov/coronavirus/2019-ncov/index.html> and <https://www.cdc.gov/coronavirus/2019-ncov/faq.html> **(you may have to copy and paste the links.)**

The state also has set up a phone line, call 211 with any questions.

Thank you,

Jeffrey Lacroix
