Families, friends, residents and staff;

On Tuesday afternoon a staff member began displaying cold-like symptoms and we conducted a rapid Covid-19 test, the test returned as positive. All residents and staff are being tested, regardless of vaccination status, and we have coordinated with DHHS to ensure the tests will be picked up this evening and ready to be processed immediately Thursday morning. At this time, we must unfortunately suspend all visitations, we will call you if your loved one would benefit from a compassionate care visit.

We will be certain to share updates as they develop. Please do not hesitate to contact us with questions.

Thank you,

Jeffrey Lacroix NHA, MLA, FACHCA
