February 8, 2022

Families, friends, residents and staff;

Rapid antigen testing was conducted on various residents and staff with additional cases being reported. Since the weekend we have had one staff and 4 residents test positive for COVID. PCR testing is also being conducted today and we anticipate those results returning Thursday or Friday. Another letter will be sent on Friday to follow-up on today's PCT tests.

Please do not hesitate to contact us with questions or concerns,

Kindly,

Jeffrey Lacroix NHA, MLA, FACHCA
