Families, friends, residents and staff;

29 Providence Avenue, Berlin, NH 03570

T: 603-752-1820 • F: 603-752-7149

stvincentrehabcenter.org

COVID testing was conducted today and as of the time of this letter was written, all tests have been negative. We continue to work closely with the state of New Hampshire and are following all guidance and recommendations.

We have had an influx of resident clothing that is unlabeled, if you believe you or your loved one are missing clothing please visit the laundry room located on the basement level past the kitchen; the laundry room is open until 2pm. When bringing in new clothing we request you bring this to the laundry department or Laura Vaillancourt, Social Service Director. This will help ensure the clothing is properly labeled. We request you inform other friends/family who do not receive this update.

We wanted to provide a few reminders of our infection control requirements during visitation:

- Visits must only be held in the resident's room or outside; outdoor visits are preferred
- We request visitors do not ride in the elevator with other residents
- Walking with your loved one in the hall is okay and please avoid groups of residents if they are conversing together, returning from activities or entering/leaving the chapel
- Please do not visit in the solariums

Do not visit if you have ANY cold or flu symptoms or experiencing any other illness.

- A mask must be worn that covers the nose and mouth while walking throughout the building
- Visitors may not associate with other residents during the visit
- Maintain social distancing from other individuals
- Do not visit if you had an encounter with a potentially positive or COVID positive individual within the last 14 days or if any new onset of illness exists
- Eye protection is optional for visitors and is provided by the facility

Please do not hesitate to contact us with questions or concerns.

Kindly,

Jeffrey Lacroix NHA, MLA, FACHCA
