We unfortunately provide this update to inform you 2 residents tested positive for COVID. This brings us to a total of 7 positive residents and 2 positive staff. During an outbreak, residents are encouraged to stay in their room, a mask has to be worn to the best of the resident's ability when socializing or moving throughout in the hall.

Moving away from COVID, we would like to remind residents and their families of our annual Halloween gathering. COVID permitting, to get into the spirit of the holiday we have a fun gathering where staff and residents dress up in costumes. We encourage each interested resident to participate, we have a little over a month to go so please start thinking of your costumes!

After nearly 19 years Donna Wolin is retiring and her dedication, commitment, compassion and kindness will be missed immensely by everyone who has had the pleasure in working or associating with Donna. We will miss you but wish you peace and joy in your next chapter.

Please do not hesitate to contact us with questions or concerns.
