We provide this update to inform you that over the weekend 5 staff members and a resident tested positive for COVID. During surveillance testing on Monday another 6 residents tested positive for COVID. This makes a total of 6 active employee COVID cases and 7 active resident COVID cases.

We were hoping to return to group activities and communal dining but with the recent number of cases we have postponed this until we have stabilized.

As a reminder, Paula Poirier will be hosting a Family Council Meeting on Tuesday, October 18 beginning at 6pm. Paula will be hosting the meeting via Zoom so you can participate from the comfort of your own home. The **Meeting Id is 603 752 1820** and the **Password is 8675309**. We strongly encourage each family and friend of a resident to participate.

Please call or email with questions or concerns.
