stvincentrehabcenter.org

Yesterday a staff member tested positive for COVID, one resident on 3rd floor tested positive today. We have been working with a case manager from DHHS who is allowing residents to “test out” of isolation on day 7 if their COVID test is negative. We have had multiple residents test out of isolation a few days early.

On Monday, October 31 the DHHS mobile vaccination unit will be hosting a booster clinic for interested residents and staff; the booster will be the Pfizer Bivalent vaccine. Please let us know by Wednesday, October 26 if your loved one would like the COVID booster so we have the numbers for DHHS.

Please call or email with questions or concerns.

Have a nice day,

Jeffrey Lacroix NHA, MLA, FACHCA
