We would like to begin by giving recognition and appreciation to each Veteran and their families in honor of their commitment and sacrifices. "Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude." Harry S. Truman.

On Thursday, November 10 we finally reached the two-week benchmark of no additional positive cases of COVID. Recent allowances gave us the ability to offer group activities and communal dining which we recently began after we had a period of no new active resident cases of COVID. We continue to request families and friends to refrain from visiting if you are experiencing any cold or flu-like symptoms.

Thanksgiving is a couple weeks away, if you plan on bringing your loved one out to gather with family and friends outside of the building we kindly request advanced notification so we can ensure each resident is prepared. The parade of lights is the following day and we intend to participate on that Friday; many residents were excited to be part of the Fourth of July parade and we hope to recreate this excitement for them.

Paula Poirier will be hosting a Family Council Meeting on Tuesday, November 15 beginning at 6pm. Paula will be hosting the meeting via Zoom so you can participate from the comfort of your own home. The **Meeting Id is 603 752 1820** and the **Password is 8675309**. We strongly encourage each family and friend of a resident to participate. Also, we have identified that phone messages are not routinely checked during the weekend and evenings, if you have left a message and not received a timely call-back please call again knowing staff are busy caring for our residents. We appreciate your understanding.

Have a nice weekend,
