

May 17, 2023

We are providing an update to inform you that we have one new resident COVID case from last evening:

11 active positive residents
4 active positive staff

Some resident will come out of isolation tomorrow.

Visitations are allowed but each individual must be aware we have positive cases on each unit and entering the building comes at a calculated risk to each visitor's health.

Please do not visit if you have ANY cold or flu symptoms or experiencing any other illness.

- **A mask must be worn that covers the nose and mouth while walking throughout the building**
- Visitors may not associate with other residents during the visit
- Maintain social distancing from other individuals
- Do not visit if you had an encounter with a potentially positive or COVID positive individual within the last 14 days or if any new onset of illness exists.

Please do not hesitate to contact us with questions or concerns.
