Dear residents, families, friends and staff,

We regret to inform you that we have 1 additional staff member who has tested positive for COVID.

We suggest you postpone your visit if you have ANY cold or flu symptoms or experiencing any other illness.

- A mask must be worn that covers the nose and mouth while walking throughout the building.
- Maintain social distancing from other individuals.
- We discourage visits if you had an encounter with a potentially positive or COVID positive individual or if any new onset of illness exists.

We will continue to test residents and staff as outlined by DHHS and adhere to guidance presented from them.

If you have any questions, please do not hesitate to contact us.

Kindly,

Jeffrey Lacroix NHA, MLA, FACHCA
